FLAT SEASON COMES TO AN END AND FIGURES FOR THE YEAR ARE AVAILABLE.

T. Pilkington the Chief Money-Winning Owne Prince Palatine the Leading Horse and F. Wootton Heads the Jockey List.

London, Eng., November 25.—The running of the last important flat race of the year, the Manchester November Handicap at Manchester, Saturday, resulted in a head victory for the three-year-old Wagstaff, with the American horse, Election and Jalmatian, third and fourth. Earfier in the week Columbus, won a race of slight importance, but it sufficed to gain him a penalty that cost him the richer prize, he so narrowly missed winning. The villian of the race was Election, which, in the straight, had a lead of several lengths and, with the result at his mercy, allowed his uncertain temper to manifest itself and deliberately quit cold for no reason whatever other than some curlous perversion of his horse mind. Early in his career he had the reputation of running ungenerously at times, but for the last two years had run straight and true, so that he had outlived his early stigma and his reversion to his old tricks on this occasion was traily a facer to his host of backers. Wagstaff carried 113 pounds, Columbus 116, Election 119, Bulmatian 115 and Marcolleo, with 126 pounds was the topweight of the sixteen starters, the distance being one and one-half miles.

Though one or two horses were slightly fractious, there was no extended delay at the post, but when the barrier was released bram and delit and lost starters was released bram and delit and lost starters was released bram and delit and lost store the hard the work from Lavolt (third from the rails), Marcollea (lying next), and Major Symons (towards the outside), and then followed Direction. Boilde 11. Rathlea and Columbus, with Papavero beading the remainder, of which Fort and Dalmatian were the last pair. When at the end of a half mile the field was lost to view in the dense atmosphere Lavolt had headed MacSherry, with Rathlea drawing up third just in advance of Papavero, with Major Symons next, followed by Fort, Wagstaff, Columbus, Fort, Marcollica and Major Symons, with Dalmatian now rapidly making up the ground lost at the start. Inside the distance election ref

Australia, however, is a grandson of Stockwell. He was bred at Morphettyille in 1895, and is a half-brother to Harmonist, by Gang Forward (son of Stockwell) from Falry Voice, by See Saw from Fair Rosamond, by King John from Seclusion (dam of Metal), by Vespasian from Fair Rosamond, by King John from Seclusion (dam of Hermit), by Tadmor. He is the sire of Mousme, which ran second to Royal Scotch in the Caulfield

Rosamond, by King John from Sectusion (dam of Hermit), by Tadmor. He is the sire of Mousme, which ran second to Royal Scotch in the Caulfield Stakes.

Lord St. Davids, who recently purchased the Cesarion colt Forward, for the reported price of \$5,000, recovered a portion of his investment at the first time of asking, for the colt won the Spa Nursery at Warwick last week, though only by a head, from Chancery. Mr. Butters' filly began so much more slowly than the winner that she had what appeared to be an impossible amount of ground to make up when she entered the straight, but, stretching out gallantly, she only succumbed by a narrow margin, and so may be accounted as distinctly unlucky.

The Hon. G. Lambton is again at the bead of the winning trainers, having won fifty-five races with twenty-nlue horses, and carned \$11,4,35 in stakes. H. Beardsley, who had Prince Palatine under his charge, is second with \$106,445. R. Wootton, third in the list, saddled the greatest number of winning horses, sixty-three, which gathered in nearly \$100.000. The Wanganul, Australia, Jockey Club held its spring meeting on September 26 and 28, in fine weather, and with the totalisator investments \$158.

Matson and many others reached well over \$50,000. The Wanganul, Australia, Jockey Club held its spring meeting on September 26 and 28, in fine weather, and with the totalisator investments \$158.

Mats year, the old-time club had much reason to reoice over a successful gathering.

Harry Wheeler, who served his apprenticeship with John Nightingall at Epsom, and subsequently rode successfully in Austral in which country he headed the list of steeplechase jockeys for two years), has returned to England and intends settling down as a public trainer.

St. Anton has arrived in Australia and has pleased all who have seen him. He was purchased as a sire by J. H. Aldridge. The son of St. Frusquin carried L. de Rothschild's colors successfully at Epsom Spring Meeting.

Sancy Vixen is the latest recruit to hurdle racing, and more jumpers than usu

of Portland, is reported to be the best two-year-old in Australia.

Bronzino, which left England to stand in Australia, having completed his term in quarantine, has been sent to Sydney.

The totalisator investments on the two days of the South Australian Jockey Club Spring Meeting amounted to \$164,795, as against \$157,220 in 1911.

By a narrow margin. Lord Carnarvon has won his way to inclusion in the list of owners whose stable earnings amount to \$15,000 or more. Otherwise membership in the list remains as at its last publication. Only E. Hulton, Leopold de Rothschild, D. McCalmont, L. Winans, H. E. Beddington, R. Wootton and G. A. Prentice made increases in their

#### AMERICAN YEARLINGS SOLD IN ENGLAND IN 1912

Fewer American-bred thoroughbred yearlings were exported to England for sale by auction in 1912 than in 1911 and prices obtained were not so satisfactory. In 1911 W. O'B, Macdonough received a top price of \$5,750 and an average of \$2,215 for the five yearlings he sent over, while this year his top price was \$1,300 and his average for twelve yearlings old was \$350. Quite probably his yearlings would have sold for better prices in this country with the additional profit of saving the expense of transportation to England, the same attaching to the Oxnard yearlings, which have never brought good prices in England. The more important and extensive consignment sent over by J. B. Haggin brought fairly good prices, the progeny of Watercress in particular finding favor. The yearlings sold, buyers and prices were the following:

totals in the last week of flat racing and accounts for the year are now balanced. To T. Pilkington belongs the glory of leading Great Britain's turfmen for a year with a total to his credit far less than Lord Derby's \$213,605 in 1911. The latter brings up in second place, with W. Raphael third and E. Hulton fourth. A. Belmont is the leading American owner, and if all goes well with Tracery next year, may then do better still. H. P. Whitney and H. B. Duryea are the other American owners in the list and, although the former's horses won thirty races, none was of the first importance Owner. H

### MELTON STREET'S HANDICAP

SKILFUL RIDING OF JOCKEY LOFTUS FACTOR IN MACKENZIE RACER'S VICTORY.

Loween Is Beaten by Small Margin-Juarez Card Is Divided Between Three Favorites, Two Outsiders and a Second Choice.

El Paso, Tex., December 13.—The public had about an even break with the layers at the Juarez track today, when the card was accounted for by three favorites, two outsiders and a second choice. The fourth race, a handicap at seven furlongs, brought together a fair field. Melton Street, the winner, was the only horse in the race that did not suffer from interference. Jockey Loftus rode him perfectly. He waited patiently with him until well down the homestretch, then sent him after the leaders and Melton Street won in a drive from Loween, which had suffered considerably from interference.

Charlie Bowman, a former horse owner and bookmaker, is a recent arrival. He will remain here during the entire meeting.

Shorty Northcut was claimed out of the sixth race yesterday by E. Belmont, the owner of Royal River, for \$525 and was re-sold this morning at an advance to D. Ford.

Joseph Blume, of New York, who is one of the biggest operators in the sport at the present time, arrived yesterday and intends to begin operations in the ring shortly.

J. J. Flannigan of Louisville, Ky., formerly trainer for Col. W. E. Applegate, a new arrival, says that there is as fine a lot of yearlings quartered at Churchill Downs and Douglas Park as has been in training there for many years. Several of them have worked quarters in better than :23 and two in J. W. Schorr's stable have gone the distance in :22%.

Harry McIntyre, former pitcher for the Chiengo Cubs, arrived from Chieago this morning. This is his third season as a regular visitor here.

Balcliff was bid up from \$300 to \$500 and sold to N. Vail after winning the third race.

M. Shannon will make the engagements for jockey Loftus in future.

J. J. Hurray came from Dallas, Tex., with six horses.

horses.

A. W. Hoots was an arrival today with three horses from Tulsa, Okla.

J. W. Leitenberger, of Detroit, who is an ardent admirer of the thoroughbred, is making his first visit to Juarez.

TWO WESTERN MARES THAT HAVE RETIRED.

Grace G., a mare that raced well in muddy going in the colors of E. G. Soule, of Minneapolis, on the Pacific coast in her younger days, is no longer in training. She was raced for six seasons and won \$11,525. Her racing record is shown in the following tabulation:

Gossiper II., another mare that raced with success on the coast for years, has also gone into retirement. She always raced for purses of moderate value and won less than \$8,000 during her eight seasons in training. She was exclusively a sprinter and possessed a fine turn of speed for a selling plater. Her racing record is shown below:

No change has taken place in the list of horses that have won \$12,500 or more in the course of the racing of 1912, and the close of the season left matters as they had been for some time. Wagstaff had not won enough prior to carrying off the Manchester November Handleap to bring his total up to more than a little more than \$10,000, so the chance that the big Manchester race might bring a new name into the list went glimmering. The horses of the year in the honor list and their 1912 records are the following:

The tale of the year is done for the successful stallions of the time and the most remarkable feature is that five of the first seven sires are sons of St. Simon, and this select band includes the new champion, Persimmon, which consequently comes out first for the fourth time. Persimmon died in the year of his last championship, 1908, and he owes his present position almost entirely to Prince Palatine. Mr. Pilkington's colt enabled his sire to jump to the head of affairs quite late in the season at the expense of Cyllene, for which Tagalie won the Derby, and Folymelus and Cleero did excellent work at the stud. The virile Desmond never has been so successful before, and St. Frusquin shows a strong advance upon his figures of last November. Chaucer and William the Third have gone back a little, but still their records are creditable enough for any ordinary purposes. Slight reference can only be made to the strong advances effected by Rock Sand—so closely related to St. Simon—Eager, Gallinule, St. Amant. Spearmint, Santry, Thrush, Santoi, Earla Mor, and others. John o' Gaunt and Sundridge without Swynford and Sunstar respectively, have declined, and so others. John o' Gaunt and Sundridge without Swynford and Sunstar respectively, have declined, and so has Tredennis, but among those indicating distinct promise for the future are His Majesty, Lochryan, Marcovil, Picton, Troutbeck, Radium, and The White Silve, Foaled, Pedigrec, Win'rs. GARDEN OF ALLAH, after being saved close up for the first half, quickly ran past the leaders in the
stretch and won in a canter. LOAN SHARK was the nearest contender all the way and made a resolute
fiaish for second place. AZUREA set a fast pace to the final eighth and tired. TOM G. was close up until
well down the stretch, where he tired and quit badly. PRETTY DALE came fast through the homestretch.

JANUS ran fairly well.

Went to post at 2:47. At post 2 minutes. Start good and slow. Won easily; second and third driving. BLACK MATE began slowly, but worked his way up steadily and, after closing a big gap, won going away. EYE WHITE tired in the final sixteenth after being a prominent contender throughout and leading in the stretch. GODFATHER closed a big gap and finished with a great rush. RUE ran well throughout and so did SIR BARRY. ANNUAL INTEREST set the pace to the stretch, but quit in the final drive. PRINCESS INDUSTRY showed speed and ran a good half.

TILFORD THOMAS, after following the leaders closely from the start, came fast and resolutely in the final quarter and, wearing MIMORIOSO down in the final sixteenth, won going away. MIMORIOSO took the lead quickly and set an extremely fast pace, but tired badly in the stretch. EYELINA was outfooted early, but closed a gap in the last quarter and finished gamely. OAKLAND dwelt as the barrier arose, then shot out after MIMORIOSO and tired as if short after going a fast five-eighths.
